Sri Lalithambigai Medical College & Hospital

Sri Lalithambigai Medical College & Hospital, affiliated with Dr. M.G.R. Medical University and recognized by the National Medical Commission, is dedicated to excellence in medical education, research, and healthcare. The college offers the MBBS program under the Competency-Based Medical Education model, supported by advanced laboratories, simulation facilities, and a well-equipped teaching hospital. Integrating strong academic foundations with early clinical exposure, SLMCH nurtures medical professionals with skill, compassion, and integrity. Active participation in research, faculty development, and community outreach enhances the institution's academic and social impact. With modern infrastructure, dedicated faculty, and a student-centered environment, SLMCH stands as a growing hub of quality medical education and patient care.

iMEDUCON'26

Greetings from Sri Lalithambigai Medical College & Hospital, Chennai, India. We are delighted to welcome you to iMeduCon 2026, a global platform uniting medical educators, clinicians, and researchers to shape the future of medical education. Focused on quality, innovation, and the transformative power of Artificial Intelligence, iMEDUCON explores new horizons in teaching, learning, and assessment. Through inspiring talks, workshops, and discussions, the conference fosters collaboration and insight toward a learner-centered, technology-driven, and globally relevant medical education ecosystem.

CONFERENCE HIGHLIGHTS

- Global platform connecting educators, researchers, and innovators.
- Focus on quality-driven, competency-based medical education.
- Insights into simulation, digital learning, and AI integration.
- Interactive keynotes, workshops, and panel discussions.
- Showcase of research innovations and best educational practices.
- Emphasis on faculty development and academic excellence.
- Networking and cultural exchange opportunities in a collaborative setting.
